O God, who on the holy mount revealed to chosen witnesses your well-beloved Son, wonderfully transfigured, in raiment white and glistening: Mercifully grant that we, being delivered from the disquietude of this world, may by faith behold the King in his beauty; who with you, O Father, and you, O Holy Spirit, lives and reigns, one God, for ever and ever. Amen.

(Collect for The Transfiguration – Aug. 6<sup>th</sup>)

### The Road

Fourteen of our Calvary "Missionaries" recently returned from the distant, far-away land of... Wisconsin. I took with me, Lynne, Emma, Watson, Maria, Carmen, Kevin, Elyssa, Jordan, Grace, Jacob, Kenneth, Garrett and Brandon, on a journey to be servants of the Lord for a week. Looking back, we have so many fond memories, learned so much and increased our faith in God.

I will share something funny that happened when we were there. Wherever we stopped, the locals wondered why we decided to spend our summer there, of all places, working in community service. Even the other youth groups who joined us at *Week of Hope*, from Indiana, South Dakota and Illinois wondered the same, why we would go to a less than exotic place. We discovered that most Midwesterners believe we Floridians have it made, living in paradise. Why would we leave our great state to stop at places like Kenosha, Racine or Milwaukee? It turned out to be a great opportunity to share with them our culture and why we felt called to move away from the norm. It also helped us relate to the biblical story of Jesus' disciples, who journeyed away from the pleasantness of Galilee, carrying the good news to distant, far-away lands, down "the road."

Our missionaries gave their personal reports in Church of their "God-sightings" while away. I had a good number of our parishioners tell me afterwards how much that personally meant to them. They enjoyed hearing about their service to the elderly in assisted living and nursing homes, to the mentally and physically disabled, especially the youth in the Easter Seals summer programs, and other various sorts such as the Jewish Community Food Pantry, in downtown Kenosha. Their lives were changed as they related to this year's theme, "The Road."

Group Workcamps, the host organizer, used that defining moment, when Jesus appeared on the road to Emmaus to relate how our own eyes are opened to the life-changing effects of being a servant to others. In the Collect for the Transfiguration (listed above) it says that Jesus' appearance glistened in white; obviously because of his divine Spirit. Several moments on our trip we felt as though we were in God's presence and could see such divinity at work. As time passes, the disciples returned to their homeland, just like we did and began to fall back into their old ways, so much they forgot what Jesus sounded like. Through the retelling of the Emaus story our youth learned something pretty important. No matter how far away God seems, through His son, Jesus, God is always right there with us. One of our youth said how sad it would be to forget this feeling once they returned home to their routines. How inspiring and sobering this statement was to remind us all to keep walking down that road with Jesus beside us.

Have you noticed how you can get caught up in the normative cycle of life, the routine, sometimes falling into monotony or slump into a bit of spiritual apathy? If we don't walk down the road hoping and expecting to see the Messiah, then what are we doing? Traveling with the Lord on the road enables spiritual development towards righteousness and truth. Disciples, missionaries for Christ, are sent out looking to find Him. Through Word and Sacrament; through prayer and service, Jesus meets us on the road. He tells us the same stories but in a different place. When we come home, we are encouraged to apply what we discovered and we are ever so thankful for our family, our food, our bed, our time and our health. Distancing ourselves from our normal routines helps us to avoid taking advantage of them or to overlook them. God is in all the details of our life. We sometimes push God away when things are just expected.

I would like to extend my love to all of those who supported this year's mission trip to do the Lord's work and I pray for your continual support as the building and sending of missionaries is so important. As we enter the second half of the summer and gear up once again for the routines such as schooling and work, my personal prayer is to have more of our parishioners engaged with the life of the Church. Please consider how the church is a willing vessel to be driven by your unique skill and talents, by your investment of time and personal resources.

There are several projects that are listed in this edition of the Crier. Please make a personal commitment to volunteer so that our Church is living up to its design and purpose. God is calling, "True leaders [who] have a servant's heart", who enjoy giving their love to others, and who are not afraid to walk down, "The Road."

Yours, faithfully in Christ Jesus our Lord,  
Father Jon

## Confirmation Presentations

Each one of the Confirmands were required to give an informal presentation regarding an assigned saint of the church. They told how they could relate to that particular Christian who lived long ago, then took a few questions from the audience.

## Confirmation Course

We are very pleased to announce the Confirmation Class of 2017: Jordan Coker, Terra King, Carmen McDaniel, Garrett Fisher, Spencer and Daniel Yanacheck. They completed a twenty-week course offered on Sundays, for an hour and a half with Fr. Jon. Deacon Melissa taught on the subjects of Anglican history and Episcopal Polity. Each student was required to attend all the services of Holy Week, including Maundy Thursday, overnight Garden of Gethsemane with personal Confession, the Stations of the Cross on the beach, the Saturday Vigil and Easter Sunday.

An examination was given the day before Confirmation which occurred on the Day of Pentecost, June 5<sup>th</sup>. Bishop Barry Howe, Assisting Bishop of Southwest Florida, confirmed each and celebrated the Holy Eucharist.

### St Michael's conference

Please pray for those attending this summer's Christian Education conference to West Hartford, CT. Pray for Father Jon, Emma and Watson Roberts, Grace Alford and Danny Widell. They will be gone July 30th -Aug. 5th.

Fr. Jon is on faculty and will teach the two courses, "Rembrandt: Light & Creation," and "The Pentateuch" as part of his required Continuing Education. The St. Michaels Conference brings sacramental theology with application every day in liturgics.

Morning Prayer begins the day, followed by the Holy Eucharist and instruction from various clergy for students entering 9<sup>th</sup> grade, all the way up to graduating college students. Long-lasting relationships among fellow Anglican/Episcopalians develop and become part of the friendships never forgotten.

Located at the Roman Catholic Passionists Retreat Center, it is the perfect setting for meditation and personal awareness for the nearly one hundred students and twenty faculty/staff.

If you would like to sponsor one of our attendees, please include "St Michael's conference" on your check memo.

## **The Blessing of the Backpacks**

Public and Private School resumes early in August. Our families will once more enter the ritual of intensive learning after the summer reprieve has ended. Our children will venture into school, heavy laden with coursebooks, writing instruments, calculators, notebooks and so much more. Fr. Jon will extend a blessing upon these tools and the carrier for them, so that the load is not as heavy a burden. The prayer will be dedicated towards their abilities to learn and discern, how God is at the source of all education that trains and equips the student to do His work in this world.

All youth, pre-K to college, are encouraged to bring their backpacks on August 6<sup>th</sup>, placing them in front of the altar prior to the service. The Blessing will be given at the time of the "Peace" and can be picked up when motioned.

## **Service Schedule for July/August**

We resume our usual 8/10 am services on Sunday, August 13<sup>th</sup>.

On Wednesdays, beginning September 6<sup>th</sup>, the Holy Eucharist will be offered at 12:00 PM along with Holy Unction for special prayers for healing. The practice of anointing with oil for healing and deliverance from all forms of deprivation have allowed a personal time of prayer that gives immeasurable comfort to those in pain, who grieve or anticipate an operation. Please consider making this one of your practices, taking a lunch break in the middle of the week.

On the same Wednesdays, Evening Prayer is being offered at 6:00 PM and will be led by either clergy or lay members. This is an important "office" of the church which provides a deeper examination of Holy Scripture on a routine basis. If you would like to be an "Officiant" who leads an EP service, please ask Deacon Melissa or Fr. Jon.

When we get into the seasons of Lent/Advent, teaching series will be offered once more for adult Christian education and formation, allowing us to also include Evensong services. Both the teaching and celebration of such kind in those seasons has been very fruitful.

## **"Give to the Lord's Work"**

Posted by Peter Kennedy on Sunday Jun 25, 2017

"Moreover, we will bring to the storerooms of the house of our God, to the priests, the first of our ground meal, of our grain offerings, of the fruit of all our trees and of our new wine and oil. And we will bring a tithe of our crops to the Levites, for it is the Levites who collect the tithes in all the towns where we work." – Nehemiah 10:37

Pastor Kevin Coughlin wrote the following memoir about the attitude of giving on his trip to the Philippines:

"On the northern slopes of the Island of Mendoro, there is a squalidly poor tribe of people known as the Manyans. Ninety percent of them are believers in Jesus. Their huts require repair after every storm. They do not know about indoor plumbing. Their concept of electricity is fluorescent bulbs driven by batteries, and only the very wealthy one percent of the tribe has these. The children go naked until puberty, and even then their rags are pathetic. All the people I met have bad teeth, and their bellies are swollen from malnutrition. But their eyes and smiles are warm, sparkling, and genuinely joyful.

They held a pastor's conference in April, where I was taken by a national pastor/friend. There were 80 pastors who represented about 65 churches in the hills. The biggest church there has 75 people in it. At the conference everyone was squatting in their breech-clothes eating rice and fermented fish-heads with their fingers.

Here was the topic of intense discussion: How do we dig a little deeper to get enough pesos to send along with three Christian missionaries from the tribe, Yangunsi, Gunye, and Makario? We need more resources to send these men to the lost souls on the island of Paloswan, so they can hear the gospel of Jesus Christ."

No matter how much you have, consider how to give to the Lord's work. Today in prayer, ask the Lord to give you wisdom on how to best give to His work.

"For it is in giving that we receive." - Francis of Assisi

### **Holy Humor**

Two boys were walking home from Sunday school after hearing a strong preaching on the devil. One said to the other, 'What do you think about all this Satan stuff?' The other boy replied, 'Well, you know how Santa Claus turned out. It's probably just your Dad.'

~~~~~

Attending a wedding for the first time, a little girl whispered to her mother, 'Why is the bride dressed in white?' The mother replied, 'Because white is the color of happiness, and today is the happiest day of her life.' The child thought about this for a moment then said, 'So why is the groom wearing black?'

~~~~~

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class. As she ran she prayed, 'Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!' While she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again! As she ran she once again began to pray, 'Dear Lord, please don't let me be late...But please don't shove me either!'

~~~~~

Three boys are in the school yard bragging about their fathers. The first boy says, 'My Dad scribbles a few words on a piece of paper, he calls it a poem, they give him \$50.' The second boy says, 'That's nothing. My Dad scribbles a few words on piece of paper, he calls it a song, they give him \$100.' The third boy says, 'I got you both beat. My Dad scribbles a few words on a piece of paper, he calls it a sermon, and it takes eight people to collect all the money!'

~~~~~

An elderly woman died last month. Having never married, she requested no male pallbearers. In her handwritten instructions for her memorial service, she wrote, 'They wouldn't take me out while I was alive, I don't want them to take me out when I'm dead.'

~~~~~

A Sunday School teacher asked her class why Joseph and Mary took Jesus with them to Jerusalem .. A small child replied, 'They couldn't get a baby-sitter.'

~~~~~

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to 'Honor thy father and thy mother,' she asked, 'Is there a commandment that teaches us how to treat our brothers and sisters?' Without missing a beat, one little boy answered, 'Thou shall not kill..'

~~~~~

At Sunday School they were teaching how God created everything, including human beings. Little Johnny seemed especially intent when they told him how Eve was created out of one of Adam's ribs. Later in the week his mother noticed him lying down as though he were ill, and she said, 'Johnny, what is the matter?' Little Johnny responded, 'I have pain in my side. I think I'm going to have a wife.'

## Altar Guild News

We will bring to you in the next several Crier articles general information about the traditions of our church. We hope you find the articles interesting.

### Is the Episcopal Church known by any other names?

Yes, the Domestic and Foreign Missionary Society (DFMS) is the legal, corporate name of the Episcopal Church. When the church was incorporated 1821 its full legal name was the Domestic and Foreign Missionary Society of the Protestant Episcopal Church in the United States of America, but that name was changed when the church became international; the Episcopal Church is now in 16 nations. The church has also gone by several acronyms in the recent past, including ECUSA (pronounced "ee-KYOO-sah"), which stands for the Episcopal Church in the USA, as well as TEC for The Episcopal Church.

### Where did the Episcopal Church originate?

Early English settlers established the Church of England in the original colonies of the United States, and in 1789, after the American Revolution, an assembly met in Philadelphia to unify all Anglicans in the United States into a single national church. A constitution was adopted along with a set of canonical laws, and the English Book of Common Prayer of 1662 was revised, principally by removing the prayer for the English monarch. Samuel Seabury was ordained in Scotland as the first American bishop.

### Why was the name "Episcopal Church" chosen?

The Greek word episcopos means "bishop" or "overseer," which is used because the Episcopal Church is governed by bishops.

### Who is the head of the Episcopal Church?

The General Convention, comprised of the House of Deputies and the House of Bishops, is the governing and legislative body of the Episcopal Church. The Presiding Bishop is the Chief Pastor and Primate of the Church. The current Presiding Bishop The Most Reverend Michael Bruce Curry.

Please join the Altar Guild family in welcoming two new members, JoAnn Martindale and Mary Schock. We are blessed to see our membership grow. I know all of you will express your appreciation to them for giving above and beyond by volunteering to use their gifts of talent and time in serving our Lord.

## Holy Travel

The Mission Team stopped by two churches while they ventured to Wisconsin. On their first day, they visited the Chapel of St. Marys at Nashotah House Theological Seminary, which is where Fr. Jon went to train to become a priest. He shared with them much about the architecture and history of this 19<sup>th</sup> century, "Holy Space." It was in this chapel where so many Anglo-catholic priests were cultivated. We enjoyed a time of Compline the night before, and morning prayer, the next day before going to Kenosha. The other church we visited was St. Luke's Episcopal in downtown Racine, WI. They stopped by, before their return flight, on June 23<sup>rd</sup>, after noticing their church had a big sign, saying, "Open House, Please Come in and Visit."

The church is a legacy of a notorious priest, James DeKoven, and a commemorated "Saint" of the Episcopal Church. He helped construct Nashotah House and taught there in the 1870s. His influence with bringing the Anglo-catholic movement to the Midwest was legendary and not always supported by those more protestant. Several Bishops resisted the ornate placement of candles on the altar, the use of incense and emphasis on the sacrament. They made sure DeKoven would not reach the coveted position of becoming a Bishop and although he was nominated or elected to be a Bishop in three different dioceses (Wisconsin, Fond Du Lac, and Illinois) they or the Standing Committee refused to accept his election. In St. Luke's, on one of the walls, in the midst of such beauty and splendor, you

can see his name along with three Bishop "miters" that illustrate those instances of refusal. DeKoven would be disheartened today, knowing that only forty or so people attend the liturgy in this beautiful church each Sunday, on average to worship. On the other hand, perhaps he would rejoice knowing it has a vibrant feeding of the poor ministry, three days a week with hot lunches served to the growing homeless population of Racine.

## Leadership

### **Join the Vestry**

Are you being called by the Holy Spirit to be one of the next leaders at Calvary? Good leadership offered by people who have diverse gifts/skills and find joy in applying them to our common vision is what we seek. If you are looking to join the twelve (12) member Vestry, the Nominating Committee will be glad to take your name starting in September. This year we will have another four (4) vacant positions open. Derek Good, Chuck Pond, Jo Simpson and Jim Yanacheck will complete their three (3)-year term. Newly elected members will fill their vacancies effective the last Sunday in January at the Annual Parish Meeting.

Eligibility: A member in "good standing" = giver of record, resident or seasonal but must be able to attend majority of Vestry meetings and a member for at least one year; 18 years of age or older.

You may nominate yourself or another eligible member may submit your name for nomination.

If you have any questions about the process, please don't hesitate to ask Fr. Jon or any who are on the Nominating Committee (Chuck, Jo and Jim). We will be taking names for the ballot from the months of September to December. Serving on the Vestry is one of the best decisions you will ever make towards your spiritual formation.

### **Deanery "Mapping" Workshop**

Fr. Jon needs to gather seven parishioners (7) to participate in this first-time experience for our local Episcopal Clearwater deanery. With ten other churches, we will meet at the SPC Collaborative Labs, Clearwater campus for a "Mapping" workshop. Led by an "Illustrator" we will hone down to our three most important and shared ministries in order that we can put together an action plan and go forward. The Workshop will be on Saturday, Sept. 9th, 8:30 a.m. to 3 p.m. We will focus on parish strategic planning, parish visibility (marketing & community engagement), and parish metrics (lay leadership development & stewardship). This is a wonderful opportunity for all of us to work together, and the only expense is the cost of lunch! The day will include large and small group sessions, as well as time for your group to meet together.

## Hot Dog Tuesday

In partnership with Kim Soltis and Dave Toll from *It's Your Day Café* in IRB we are hosting Hot Dog Tuesdays through August at the south parking lot of the Church. Many youths spend hours at the skate park just across the street, and we wanted to offer them a healthy lunch in an outreach effort.

We are pleased to report that our first Hot Dog Tuesday took place June 20th and was a success. This being the first time, we had about 15 kids come by! We are certain that they will be telling their friends. Kim Soltis will be putting a sign up at the Kolb Park skate park. We had the kids from the skim board class show up after their lesson about 12:00 and some kids came as the result of a Facebook post Kim Soltis placed online.

The new Calvary grill worked wonderfully and Dave Toll is an excellent "grill master". We will be preparing for an estimated 40 or more hungry kids for the July 11th event. Word spreads fast regarding free food!!

## Nametags

We currently have a 4x5" printable nametag for our members. Greeters and Ushers should wear their tag whenever serving as well as those who administrate hospitality in Parish Hall. We average 2-3 visitors every Sunday and they appreciate a name recognition when approached. For all members, please consider this a part of your own way to evangelize to others. Interested in making our nametags more "Stylish", please see Renee Lee.

## New Membership

We have enjoyed new members joining Calvary. Here are the names of those who have joined us recently. We will make every attempt to provide bios and pictures of our newest members in the next edition of the Crier. Please send them an encouraging note, and welcoming them.

## "Evangelize" and Invite

It is really easy to do. When talking with someone, ask, "Hey, do you go to a Church?" Then, if they say, "No" or "I've not been in a long time," or any other reason, then you say, "Hey, you should try coming to Calvary. The people are really warm and we enjoy getting to know one another."

# Pastoral Care

## **Sit and Be Fit**

Diet AND exercise are the keys to healthy aging. No matter your age or your current physical condition, you can benefit from exercise. Reaping the rewards of exercise does not have to involve strenuous workouts or trips to the gym. It's about adding more movement and activity to your daily life. There are many easy ways to get your body moving and improve your health and your outlook. However, it is not a once-in-awhile thing - it is a dedicated resolve to become more active every day. As we age regular exercise is more important than ever to your overall health. A recent study found that exercise is the number one contributor in adding extra years to your life. You'll not only look better, but you'll feel sharper, more energetic and gain a greater sense of well-being. Exercise improves your sleep, boosts your mood and self-confidence and it is amazingly good for the brain.

The message - turn off the TV, put on your walking shoes and get started. Figure out what you want to do -walk, ride a bike, play golf, work in the yard, go to the gym, take up yoga or Taiichi - the possibilities are endless - just do it!!!! And a reminder - there is a free class every Tuesday morning at 10:15 in the Parish Hall - we work on proper breathing, good posture, strength and flexibility, and we have fun. Come join us.

"Aging is a privilege - a gift denied many."

## **Visits to our Elderly**

Every Sunday we pray for the infirm (sick) and our shut-ins (assisted living/home bound). Jim Widell and Marilyn Clark head our Pastoral Care Commission and would enjoy having more people involved with visiting our dear elderly members, unable to be with us on Sunday. Here is another idea. When the Wednesday, 12:00 pm Holy Eucharist and Holy Unction service becomes a weekly occurrence, first week of September, why not invite them to this service? Do so by offering them transportation to and from the church. What a difference that would make!

# Missions

## **Back to School**

SCHOOL SUPPLIES - It will be time to return to school before we know it - time flies when you're having fun. So, now is the time to begin shopping for sales of school supplies - pencils to backpacks - all ages. There are many children whose parents cannot afford to buy crayons or paper - that's where you come in. We will begin accepting donations immediately. If you prefer to let us do the shopping, we welcome monetary donations. The gift of education is one of the greatest gifts to receive.

Marilyn Clark

## Christmas Shoeboxes

How Many Days Until  
**Christmas?**

Last year we were able to provide 199 Christmas Shoeboxes to children of migrant workers in the southern part of our Diocese. That set a record for this program at Calvary! We are hoping to provide close to 300 Christmas Shoeboxes this year! So, that means we will need to start early! Please bring your empty shoeboxes so we can start stockpiling them and prepare to help us fill them with wonder this Holiday!

Marilyn Clark

## HOA Grant

Fr. Jon and Elyssa Coker applied for a local youth grant from the Indian Rocks Beach Homeowner's Association to support our youth attending this year's mission trip to Kenosha and was approved. When the organization heard of this event and its purpose to send young people out into communities providing care to the elderly and the underprivileged, they awarded our youth \$1200. This is further evidence of how much our local community means to us and how much we mean to them.

Welcome back to our Mission Team who returned June 23<sup>rd</sup> from their wonderful summer trip. We were blessed by each of them sharing with the congregation about one of their "God sightings" that week and how it impacted their faith.

## Food for Sharing from Publix

The Beach Community Food Pantry, once again, will be the recipient of pallets of food donations from the 'Food for Sharing' program.

'Food for Sharing' is a community supported program started by our friends at Publix, in 2009.

Twice a year in the spring and fall, donation cards representing three predesigned levels of giving are made available to Publix customers at the checkout counter. Once the customer selects a donation level, the cashier scans the card, and the amount is added to the customer's total order. Customers also have the opportunity to donate any amount they wish to help feed the hungry.

In 2016, customers donated over \$14 million to Food for Sharing, and since 2009, have donated more than \$60 million in total. Each spring and fall, these donations are used to purchase specific food items on behalf of the customers. Examples of food that BCFP get are: peanut butter, grape jelly, green beans, tuna, hams, mashed potatoes, fruit and more. These are all staples routinely distributed by BCFP.

Publix assembles cases of these food items, ships them to a store close to the participating food pantries (in our case, Publix at 10411 Ulmerton Rd, Largo) and makes these donations available for pickup. BCFP counts on its volunteers to help transport the food in their trucks and SUVs.

Our sincere thanks go out to all of the community who support this wonderful effort by donating the money that allows Publix to purchase and Home Depot to deliver, these necessary supplies. Special thanks to Publix manager Grant Gebhardt and assistant manager Lorenzo Nievas for their assistance, to Greg Moran and his team from High Brew Coffee and finally to our great pantry volunteers, who guide our clients every week. Special thanks to volunteer Mike Daubert for continued dedication in organizing our storage room and the Publix delivery and BCFP Director Connie Curran's husband Ed for his endless help and the use of his truck.

BCFP exists solely on the generous donations from our community. Over 800 people each month benefit from community support. Monetary and food donations are always welcome as we continue to feed the hungry. Please contact BCFP Director Connie, Curran (727-482-6167) or management team members Renee Lee (954-661-2389) and David Kline (727-418-1673) if you would like to donate your time, talent or treasure to us.

## Help Needed!!

We are in need of anyone who can assist us in the pickup of food products from Feeding America. Feeding America provides us with much of our pantry inventory, at extremely low cost to us. Weekly, we visit their warehouse in Tampa, to pick up preordered food and to shop for any items that we need to maintain our inventory.

We will train you in the process and assist you with the unloading and stocking when you return from their warehouse. The Feeding America staff will assist you in loading your vehicle. It is suggested that you have access to a pickup truck or larger SUV as the physical size of the order varies each week.

We are looking to enlist 2-3 volunteers for this task so that no one volunteer has to go to Tampa every week. Spreading the work effort will make it easier on everyone. Our pantry continues to grow and with that comes the need to increase our volunteer staff. Please give this request your faithful consideration.

## Slyce Supports BCFP

Come join us for a good slice of pizza, a beer and some great fellowship. Members of Calvary and some of our friends go to Slyce Pizza once a month to share good times and talk about how wonderful our church is. It is a great way to invite others in the community to be part of our church. Remember, the first Monday of every month Slyce Pizza Bar in IRB donates 10% of all proceeds to the Beach Community Food Pantry! Many Calvary members meet there to enjoy delicious food and fellowship! Please join us Mondays this summer, July 3<sup>rd</sup> and August 7<sup>th</sup>.

## Star-Maker Children's Project

There is no secret about how creative Julie Heinicka is with her many talents, quilting and fabrication being just two of them. On August 9th, from 5:30-9:30 pm Julie will form a group that will meet and make gifts for children newly diagnosed with cancer. If you are interested in being part of this mission to children who desperately need, and deserve hope, joy and love, contact Julie at [jfheinicka@gmail.com](mailto:jfheinicka@gmail.com).

## The Homeless Emergency Project (HEP)

If you have interest to support or to serve this valuable non-profit organization in Pinellas County, please contact Board member and parishioner, Phil Beauchamp at [beaugator3@aol.com](mailto:beaugator3@aol.com).

## June Property Report, 6-22-17

I am providing an early June report as the holidays are coming up, the crier deadline is approaching, I have some vacation planned and a lot has happened in the last two weeks. So here it is. Thanks! Next report will be early August for July.

- It is still here. Had a discussion with Scott from Blair's AC and we discussed possibly putting in what is called a mini split system. This puts a new compressor outside and the in lieu of duct work and an air handler, each room receives its own evaporator system. Up to eight evaporators can be run off of the same system. This might be our best solution for the food pantry, classroom and old food pantry. Blair's is supposed to quote it and we will see where it lies. Stay tuned.
- This too will get done when time permits. The new classroom door still requires painting. No action since last report. I will be picking up paint and painting the door inside and out soon.
- The roof repair was completed as scheduled. The work they did was really good. The leak has been fixed. Let's make sure when we have another big rain storm.
- The metal weather stripping on the front doors was completed on the sides. I ran short of the metal weather-strip and will have to order some more to complete the top. Still need to order that part.
- No activity still. I will take this on this month. The Marquee sign out front exhibited some arcing and sparking. D'Andrea electric is going to upgrade the electrical box and rewire the area of concern. The base of the sign has been prepped and we are waiting for D'Andrea to complete the work. I have also asked D'Andrea to replace the 11 lights in the kitchen to LED. No scheduling information from D'Andrea yet.
- Paving project is finished with new stripes! This is definitely a great upgrade to what we had. Thank you to the Remark family for their donation to get this completed.
- No information on the cabinets in the kitchen. Stay tuned.
- We have a fence permit. The concrete has been completed! A new sidewalk by the food pantry, and new apron as you enter the south parking lot. Sidewalk repairs completed. Window sills repaired and the dumpster pad and adjoining sidewalk finished. I am working on the fence enclosure and have made good progress but we will see a slowdown as we have some vacation coming up. Completed by end of July for sure.
- New Carpet in Parish hall is complete! It looks awesome. Thanks for your patience as we worked through the mistake in ordering from the carpet representative. What a super nice upgrade! Thank you to Denna Shiben for her very generous donation to this long-needed project.
- The Cape Cod stain was purchased for the deck. It was on sale with \$40 dollar rebates on a 5-gallon bucket. I will try and accomplish this task soon as well.

## **Future Plans**

- Add a sprinkler system landscaping to south end of the church and along the sea wall.
- Seal the woodwork around the west stained glass windows.
- Add another coat or two of varnish to the north doors of the Sanctuary.
- Apply sealant or a preservative to the deck.
- Looking to make our waterfront accessible to the community. Stay tuned for the vision.
- Small row of landscape edging and a row of variegated liriope along the new sidewalk in front of the food pantry.

Hope this covers it. It has been a busy month. Thanks for your support.

## **Better Stewards**

I am always looking over the Church grounds and the building, wondering how we can be better stewards of what we have. Applying our talents and resources are a way we build community and give a gift to God. Working with Kim has been an unbelievable joy. By far, he is one of the best Jr. Wardens I've ever had in a church. We are all very blessed. As he continues with his progress, as reported above, there are three additional projects that I feel would be most substantial for our future progress as a church in Indian Rocks Beach. They are projects that require people who like the challenge of making long-term planning goals and are comfortable in working together with others. I am most excited about these projects as the Vestry and I will explore further at our August 14<sup>th</sup> meeting. Any member of the church is welcome to come and listen.

These projects would all need to be fully funded by grants, public donations or incentivized loans with guaranteed payback. The projects will support our general operating fund, helping us to be better stewards of our energy, our location and our access. These initiatives include the following, general descriptions and more information is sure to come.

1. Solar
2. Community Boardwalk
3. Parking

On a separate matter, some of you have stepped forward to volunteer for the project to renovate Barge Hall. I believe it will help us to be better stewards of our "Youth." Oh, how they love their space after church. They love to go in to Barge Hall, take off their shoes, play the piano, challenge each other in a game of carpet ball, or simply lounge around. We are fortunate to have our youth and that they feel at home at Calvary. Let's really go the extra mile and do this project for the youth.

The plan is to remove the non-load bearing wall, currently separating what used to be the Sailing room, from the Barge Hall, making it all one room. With the recent donation of a 50" TV from Cyndi and Derek Good, we will soon offer the "Wii" gaming for youth/adults, improved carpet ball table, and offer movie night with surround sound, just to name a few. The east facing window area will be for Children's Chapel and an improved meeting/conference room will be done in the adjacent, old "Computer" room. We simply need to gather our volunteers, set a date, review the cost, keeping it as minimal as possible, commit to the plan and get to work. I would really like to get this finished by the end of September. Please let me know if you are interested in tearing down a wall, painting and some general carpentry, and overall fun "grunt" work.

Fr. Jon

## **First Street Project**

The City of IRB has informed us that the 1<sup>st</sup> St. Capital Renovation project, which includes new concrete guttering (completed) and repaving (waiting for completion), will tentatively be finished July 31 – Aug. 3<sup>rd</sup>. This will make our front appearance much more attractive to the public.

## God's Gardeners

In a recent Episcopal church profile, from a church in Jacksonville, the following group was organized within it, by a dedicated team of volunteers:

"The mission of the Lay Weeders

This Beautification Committee is to ensure that our Church grounds are pleasing to God, our guests, and the parish. The group usually works on Tuesday mornings, however, several people work other days that better suit their schedule. Our focus is on planting seasonal flowerbeds and shrubs, mulching, and weeding. Our operating revenue comes from your generous individual contributions on Mothers' and Fathers' Day."

With all of the fertile soil on our property, with all the dying shrubs that need replacement, and even perhaps the grass to cut, such a committee of dedicated volunteers at Calvary would be supremely helpful and overall reduce our costs. Currently Fr. Jon and Kim Heinicka have received support at our biannual "Work Crew Day" but there is a great need to have weekly assistance. Ralph Kiphuth, Cherie Smith, Julie Heinicka, Marilyn Clark, and one or two others have been seen pulling a few weeds now and then, washing some windows or watering some plants. The real dynamo, however, has been Susan Koester. Every week she comes to the church to plant and water several varieties of plants. Our seawall, for example now has Bougainvillias, Mexican Tulips, Crocus, and more, due to her loving commitment and green thumbs. As you can tell, there are people who serve but how wonderful would it be to organize and recruit more to work together! If you would like to help build "God's Gardeners" at Calvary, please see Kim or Fr. Jon.

## Fellowship

### Giving Love

Every Sunday, a majority of our parishioners happily stroll down to the Parish Hall. They know they will be greeted with warm hospitality as they are invited to have a cup of coffee, some juice, a pastry, some fruit, homemade bread and maybe some cake (SOMBA anyone?). Countless smiles are seen on the faces of all who come for a little conversation and getting reacquainted with their church family.

Fr. Jon has emphasized for years that Fellowship complements our Worship. If loving the Lord with all our heart, mind and soul is exercised during Sunday worship, surely the opportunity to love our neighbors as ourselves shines through at "Coffee Hour." Often, whoever the Vestry member is on duty to lock up, you will hear them say to those still gather around the last table or two, "Make sure you turn off the lights and turn up the air, when you leave." Sometimes it's hard to leave because people are seen having such a good time.

This is also one of Calvary's characteristics. Everyone knows we are a warm and loving congregation. This is obvious with the amount of time we exchange the Peace in our worship service and the amount of time we enjoy being with one another. We want that to continue.

There is one tiny obstacle, however. We simply need your help. We need more volunteers to help, mainly, with the clean up on Sundays. The 8 o'clock volunteers generally set everything up and the 10 o'clock volunteers do the clean-up. A sign-up board is in the Parish Hall and one can simply call the office. To make this even better, will one person consider being just the "Recruiter" to secure volunteers? If so, you become a cherished person, one who is "giving love."

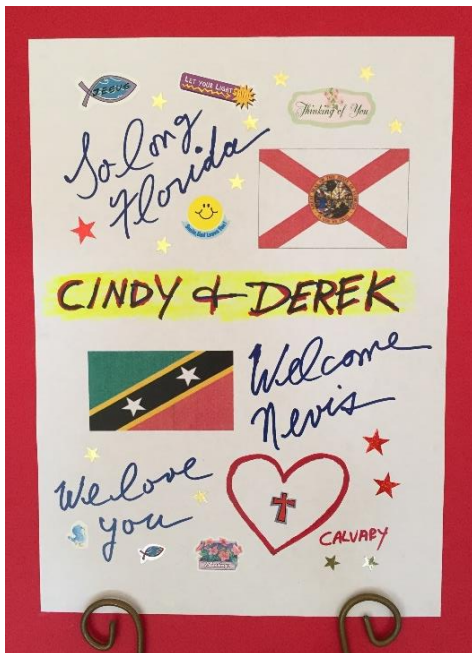

## Hospitality Report

Exciting news about the Parish Hall – new carpeting! Kim Heinicka worked to get a consensus on pattern and color during Fellowship. The final vote was for carpet 'squares' with a subtle pattern. Everyone has been pleased with the final result! The squares are easily replaceable if there is a spill! As mentioned in Kim's Property Report, grateful thanks to Denna Shiben for her generous donation.

## A Good Celebration

We gave Cyndi and Derek Good a heartfelt send-off in June, allowing for all members of the church, whom they have touched, to express their love towards them. Skylar will remain in Florida with her father. Of course, this will not be the last time we ever see them, as they vow to return stateside every year to join us in worship and fellowship. The "Good" news is we will see them again November 15<sup>th</sup>.

## From Cyndi and Derek Good

I think by now everyone at Calvary knows that Derek and I have decided to pack up and move to the small Island of Nevis in the West Indies. We wanted to share with you a little about the island and its people that influenced our decision to take this crazy journey. Nevis is the sister island of St. Kitts and together they are the smallest country in the western hemisphere. Being only 36 square miles, Nevis is a small island, but it is full of beautiful beaches, a tropical rainforest and approximately 70 churches. Some of the older churches date back to the 1600s. There isn't a time during the day that Derek and I can't go to one of the beaches and be the only people there. We have hiked much of the rainforest, but still have not conquered Nevis Peak which is 3,232 feet high.

Over the years while vacationing on Nevis, we have met many locals that have become our close friends. Nevisians are some of the nicest, most friendly people we have ever met. They

They speak in a variation of African Creole which is very fast and sometimes hard to understand. While there are beautiful resorts on the island, many of the people live in poverty, having 2 or 3 jobs that pay only a few dollars per hour. This is a picture of Sandy and myself hanging out at his fried chicken shack. Sandy works at the Montpelier Plantation Inn as well, and has been doing property maintenance there for over 40 years. On Friday and Saturday nights he makes fried chicken for the locals in a little shack by his home.

Another one of our friends is Coach Eddy Richards. Along with working at the Friday night Water Department BBQ, he is the head coach at the St. Thomas Primary School. On our last visit, Coach Eddy told us about the Nevis Athletics Stadium that is being constructed. The track is Mondo's new high-tech design, and will be the 1st of its kind in the Caribbean and only the 3<sup>rd</sup> in the world. The project is the single largest investment in Youth and Sports in Nevis history. This is great for the youth of the island EXCEPT most of the children do not have running shoes. Derek and I attended Track and Field Day at Coach Eddy's school, and the majority of the kids participated barefoot. We have been working with Coach Eddy to collect as many pairs of new and slightly used elementary school children running shoes. They need almost 600 pairs for all the youth on the island. While we know we won't be able to bring that many, we have a goal to at least bring 100.

Thank you to everyone here at Calvary. We are so grateful to have found such a special place to worship and forge lasting friendships. We will be checking in periodically with our Calvary family and invite all to come visit us on Nevis...we have room! Here is our contact information, so please keep in touch. ### Treasurer's Report

When reviewing Mays "financials" the good news is the Year-To-Date numbers are strong. We finished with a net income of \$83,227.97 or \$3,400 ahead of 2016 YTD and significantly above our budgeted number of \$14,169. The Balance Sheet & Food Pantry numbers seem to be in order. The part that concerns me a little is our cash with all the projects the church had to endure this year. We show \$50,972.39 as of May, with a few remaining bills. Last year 2016 at this time we were \$81,182, due to a \$50,000 anonymous gift. Last year we did not have any big capital projects (eg. roof, parking lot paving & striping, concrete, etc.). When viewing Regions Bank on-line recently, all of our final checks looked to have cleared in June.

The month of May 2017 we lost \$12,473.57 due to several things. Parking lot revenue and Beach Community Food Pantry monthly revenue was below the budgeted numbers, Plate & Pledge Members were down. Last year gross profit was \$83,768, verses this year of \$21,650.75. Expense wise Food Pantry and Repairs & Maintenance were up over budget. Merrill Lynch came in with some nice market gains of \$13,201 that helped a great deal in the bottom line for May 2017.

In summary the Year-To-Date is strong, which is very important. Where we need to keep an eye on things or where we can improve is in building the Regions cash account throughout the summer. Reviewing your YTD pledges would be helpful. God Bless!!

Tom Monk, Treasurer

## The Legacy Society

An Endowment of Calvary Episcopal Church

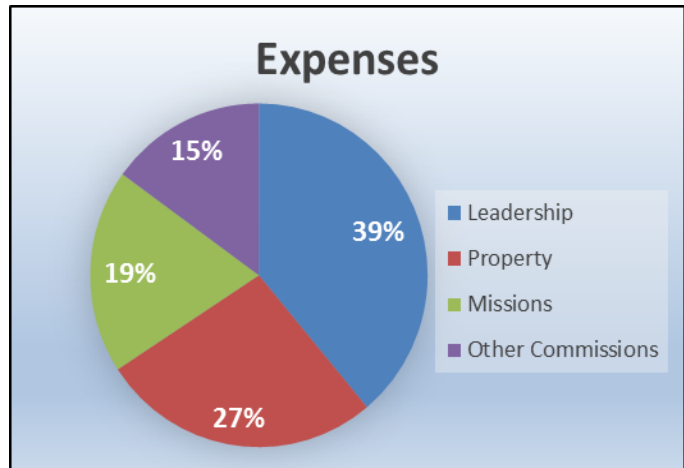

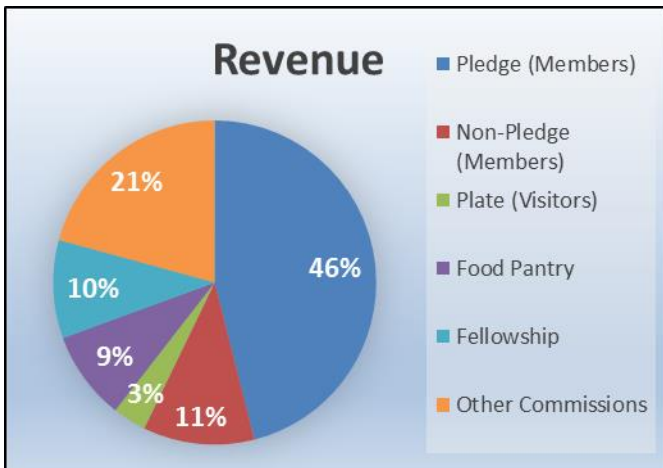

When planning your estate, pray about it and please include Calvary. Historically, most churches report 10% of their entire operating revenue has come from bequests given by members of the congregation, friends or relatives from the first day it was built. Without this important source of revenue, most churches could not survive. Please be benevolent, plan today... for our tomorrow. Consider giving 10% of your estate to your Calvary family.

\*The 2016 Budget allotted \$24,000 of Revenue to come from an unrestricted investment fund to stabilize expenses for the year. Year-to-date, we have not made any withdrawal from this account due to a most generous, anonymous \$25,000 gift in January. Pledged income continues to be a most reliable source of revenue, helping us create our budget and sustain our Church operation. Please fulfill your 2017 pledge. Please make a pledge during our Stewardship Campaign beginning in Advent.

## Diocesan Stewardship Workshop

On Saturday, August 26<sup>th</sup> Fr. Jon, Mike Alford, Phil Beauchamp, Tom Monk and Jane Small plan to attend the annual Stewardship Workshop at our Dayspring Episcopal Conference Center in Ellenton from 9am-3pm. The workshop this year will be facilitated by The Rev. Canon Lance Ousley, Canon of Stewardship and Development in the Diocese of Olympia.

Topics to be covered will be Stewardship Theology, the importance of Bible Study, Practical Applications and support for the Annual Pledge Campaign for the national church, known as TENS.

## Connections

### Church Directory Update

Can you remember back to April-May of 2016 when Remember-Me Inc. came with their photographers to the church and took our pictures? The completion of this project is "way overdue" and we truly apologize. Thank you for your patience. It has been sent to the printers. We do anticipate receiving it by the end of October. We may appear a little older, especially the kids, but at least it is a baseline to build on and a place to go forward. If you are a new member of our church, please contact Judy Marx. She has a blue backdrop and would very much like to take your picture. It will not go in this directory but at least we can use it in other ways to promote connections for others to recognize you.
